& Izure of the Revenue Cutter McClelland. Washington, Feb. 7.—The following statement in elation to the surrender of the revenue cutter Robert Mel'helland is derived from an official source.

The cutter is one of the largest and best in the revenue ervice, just rebuilt and refitted. Her commander was Pant. Breshwood, of Virginia. On the 19th of Janu-New Orleans and Mobile, to save, if possible, the two cutters in service there. Capt. Morrison, a Georgian, ommanding the Lewis Cass, at Mobile, must have surher before Mr. Jones arrived. On the 29th of assary, the Secretary received the following telegraphic dispatch from Mr. Jones : " New Orleans, Jan. 29th, 1861.

Hon. J. A. Dix, Secretary of the Treasury : "Capt. Breshwood has refused positively in writing othey any instructions of the department. In this I m sure he is sustained by the collector, and I believe acts by his advice. What must I do! "W. H. Jones, Special Agent."

To this dispatch Secretary Dix immediately returned the following unswer: "Treasury Department, January 29, 1861.

Wm. Hemphili Jones, New Orleans: Tell Lieut. Caldwell to arrest Capt. Breshwood assume command of the cutter, and obey the order through you. If Capt. Breshwood, after arrest, undertakes to interfere with the command of the cutter, tell Lent Caldwell to consider him as a mutineer, and treat him accordingly. If any one attempts to haul down the American flag, shoot him on the spot.

" JOHN A. DIX, "Secretary of the Treasury." This dispatch, it is said, must have been intercepted both at Montgomery and New Orleans, and withheld from Mr. Jones, and doubtless the conduct of Capt. Breshwood was consummated by means of a complicity on the part of the telegraph line in the States of Alahma and Louisiana, which latter State has accepted
